

Please see the Section II(3)(B) of the “Guide for Developing a Victim Legal Assistance Network” for considerations regarding length of surveys and efforts to minimize re-traumatization and vicarious trauma.

Formats & Methodologies

- Focus Groups
- Surveys
- Interviews
- Listening Sessions

Data Sources / Participants**Crime Victims & Community Members – where to recruit**

- Victim service providers
- Systems-based victim/witness assistance, DA’s offices
- Service providers (mental health centers, homeless shelters, departments of health or social services, medical)
- Public institutions: libraries, community centers, community action programs
- ESL, GED, Citizenship classes
- Community-specific organizations
 - Faith communities
 - Cultural centers
- Public spaces & events: fairs, tabling at community events, transportation hubs, grocery stores,
- Social media, partner’s emails
- Additional notes on increasing access: offer written materials in multiple languages, offer in-person interpretation, offer one-on-one assistance with completing surveys

Types of service providers/stakeholders to consider including

- Attorneys, legal service providers
- Social service providers, advocates (community-based & systems-based)
- Law enforcement, prosecutors
- Compensation staff
- Immigration attorneys
- City or District Attorney’s office
- Police Department
- Probation/Corrections
- County/State Human Services
- County Attorney
- Educational institution
- Medical facility
- Legal Aid
- Private lawyer
- Private for-profit agency
- Private nonprofit agency

- Religious faith community
- NOTE: Consider seeking the input of both front line and leadership among service providers and systems partners.

Content Areas

Sections of surveys, interviews or focus groups for survivors and/or community members

- Demographics
- Crimes
- Legal issues
- Help-seeking
- Barriers to accessing services
- Questions about a specific victimization
- Age at the time of crime
- Relationship to offender
 - Recency
 - Disclosure/help seeking
 - Consequences of Victimization

Sections of surveys, interviews or focus groups for service providers/stakeholders

- Geographic & demographic communities (service area, population # in that area)
- Crimes experienced by clients
- Legal Services needed by clients
- Caseloads
- Length of time / depth of relationship with communities served
- Related issues / needs in communities that impact victimization and/or services
- Collaborations/Partnerships & Referrals
 - Referrals received from which organizations or types of organizations
 - Referrals made to which organizations or types of organizations
- Barriers
 - Barriers to providing services
 - Barriers to victims receiving services
 - Thoughts on overcoming those barriers
- Strategies for increasing awareness of services
- Interest level in using resources (training, website, printed materials, meeting, etc.)

Menu of specific topics or subtopics for content areas

 - Credit remediation
- Fraud
- Government benefits/ Health access
- Guardianship
- Hate crimes
- Housing/ Eviction
 - Affordable housing
 - Unlawful detainer defense
 - Housing affected by crime (lock changes, eviction, lease or mortgage co-sign with perpetrator)
 - Mortgage fraud
- Identity Change
- Immigration
 - Asylum
 - Family-based
 - Naturalization
 - Removal hearing
 - SIJS
 - T visas
 - U visas
 - VAWA/ IMFA

- Internet redress
- Language discrimination/ Access claims
- Privacy
- Property return
- Public benefits (Medicaid, TANF, Food Stamps, Indigent healthcare)
- Representing in
 - Criminal matter
 - Civil matter
 - Campus proceeding
 - Military proceeding
 - Immigration matter
 - Compensation claim
 - Benefits claim or application
 - Small claims court
 - Housing issue
 - Employment law violation
 -
- Restitution
- Safety issues
- Title IX
- Veterans' benefits

Help-seeking

- Law Enforcement
- Medical/Mental health
- Social services
- Legal services
- Other support
- How did you find that help? (brochure, web, referral, etc.)
- How helpful was it? What could have been different?
- Length of services
