Legal Assistance Network Logic Model

Problem: Victims require but often do not receive trauma-informed, culturally competent, coordinated services in the aftermath of victimization, leading to re-victimization.

Solution: Establish a Network of legal and complimentary service providers to provide coordinated, trauma-informed, culturally competent services unique to the needs and capacities of each individual community, reducing re-victimization and enhancing services.

Inputs
- Staff
- Stakeholders
- Partners
- Steering Committee
- Volunteers
- Time
- Funding
- Knowledge
- Research
- Materials
- Technology
- Equipment

Outputs
- Identify Partners & Stakeholders
- Steering Committee Meetings
